

Certificate of Registration

Intertek

This is to certify that the occupational health and safety management system of

Stena Recycling AB

Main site: Fiskhamnsgatan 8, SE-414 58 Göteborg, Sweden

Additional sites according to appendix page 1-7

has been assessed and registered by Intertek as conforming to the requirements of

OHSAS 18001:2007

The Occupational Health and Safety Management System is applicable to the management of occupational health and safety risks associated with

Collection, transportation, processing and refining of waste and hazardous waste for reuse, recycling, energy recovery, final disposal, and sale of recycling-related services including safe destruction of secret and sensitive documents and other information carriers.

Certificate Number:	1601668-02
Initial Certification Date:	7 January 2009
Certificate Issue Date:	2 January 2018
Certificate Expiry Date:	6 January 2021

Accred. no. 1639
Certification of
Management
Systems
ISO/IEC 17021-1

In the issuance of this certificate, Intertek assumes no liability to any party other than to the Client, and then only in accordance with the agreed upon Certification Agreement. This certificate's validity is subject to the organization maintaining their system in accordance with Intertek's requirements for systems certification. Validity may be confirmed via email at certificate.validation@intertek.com or by scanning the code to the right with a smartphone.

The certificate remains the property of Intertek, to whom it must be returned upon request.

Appendix
